

Enrollment

Once your completed class registration form and payment are received, you will be provided with a confirmation receipt. Full payment is required at the time of registration to reserve a space in the class. Reserved space in class may be cancelled if full payment is not received by three (3) days prior to the start date.

Vaccinations

You must present proof of required vaccinations in order to participate. For puppy classes, two rounds of DHPP vaccinations are required. For all other classes, current rabies, DA2PP (or DHP) and bordatella vaccinations are also required.

Cancellations

If the minimum enrollment for a class is not met 3 days prior to the first class session, the class will be cancelled and rescheduled. You will be contacted via telephone or email to see if you would like to enroll in the rescheduled class, receive credit toward a future class or receive a full refund.

Refunds

A full refund will be offered if we are notified at least five (5) days prior to the start date of class. If a dog is unable to attend due to an injury or illness during enrollment, you will receive a 50% discount toward a future class. However, no refunds or discounts will be given after the third class session.

Attendance

Students enrolled in a group class will be required to attend the first class session. Participation in all class sessions is highly recommended as we will be building on previous lessons as we progress. Students who miss the first class session without making prior arrangements do not qualify for a refund of class fees and may not be allowed to join the remaining sessions. Depending on the instructor's schedule, a make-up class session may be arranged with the instructor at a rate of \$25/hour for the session so that you may rejoin the class. New students may be allowed to join a course after the first class session at the trainer's discretion. Please do your best to arrive on time for each class.
